

Summer Camps

2010 Programs

Summer Camps that **excite,**
entertain and **educate!**

 **The Works**

Dear Friend of The Works,

We are proud to announce that our Camps are growing again!

Curiosity Camps now include, Busy Bee Play and Learn Camp for 3 - 6 yr olds, Science Camp for 7 - 11 yr olds, Art Camp for 7 - 11yr olds, Glass Camp for 7 - 14 yr olds and an Engineering Camp for 12 - 14 yr old girls. Attached you will find descriptions of all your old favorites and the brand new offerings.

All day experiences are still available by purchasing a Camp Package. Camp Packages include Art Camp, Science Camp and a Mid-Camp Care Session at a reduced rate. These opportunities are available for children ages 7 - 11. Be sure to send a lunch if your child is attending both camps.

As always we are glad to offer Need based Scholarships for all of these programs. Please let us know if you would like information about this option.

We hope you and your favorite young person will take advantage of our camp offerings this summer and that you continue to make The Works a favorite place, to learn create and appreciate.

**Sincerely,
The Works Education Team**

Curiosity Camps at The Works!

Sign up now for these fun camps!

5 Ways to Register for Curiosity Camp!

Call The Works at 740-349-9277, Online, Mail, Fax (740-345-7252), or Stop by the Museum at 55 S. 1st Street in Newark.

Busy Bee: Play & Learn Camp

Designed with our youngest learners in mind this camp experience is a great way to get hands-on with art and science.

Day 1: Environmental Explorers

Earth Day everyday. Get hands-on with plants and some animals that work together in our incredible environment.

Day 2: Bang, Bubble & Fizz, Everyday Chemistry

Discover the chemistry in everyday life. From the most basic to complex these chemical reactions are sure to be a blast.

Day 3: Excellent Engineering

Who says it just for grown-ups? Create some excellent engineering of your own and experiment with simple and complex machines.

(Ages 3 - 6)

Wednesday - Friday, July 7 - 9 : 9:30am - 11:30am or 2:00pm - 4:00pm or Wednesday - Friday, August 4 - 6 : 9:30am - 11:30am or 2:00pm - 4:00pm 3 days for \$65 members, \$80 non-members, Instructor: Rori Preston

Engineering Camp: Girls in Gear

Engineering isn't just for boys! Come discover engineering design with female engineering mentors from across the region! Figure out what really bugs you and design your own prototype to solve this problem. Collaborators for this fun-filled camp include the Girl Scouts of America and Intel.

(Ages 12 - 14)

Monday - Friday, July 12 - 16 : 9:00am - 4:00pm
\$150 members, \$175 non-members, Instructor: Lisa Sharpe

Glass Camp: Fancy Figure Fusing

Explore the world of cold glass fusing in this one of a kind glass experience and create eye-catching works of art you'll be proud to display. You'll design one of a kind stand-up glass art pieces in this week long camp.

(Ages 7 - 10)

Monday - Friday, June 14 - 18 : 9:00am - 12:00pm
\$100 members, \$120 non-members, Instructor: Abby Rice

Glass Camp: Fancy Flower Fusing

Explore the world of cold glass fusing in this one of a kind glass experience and create eye-catching works of art. You'll design one of a kind glass flowers and display pieces in this week long camp.

(Ages 11 - 14)

Monday - Friday, June 14 - 18 : 1:00pm - 4:00pm
\$100 members, \$120 non-members, Instructor: Abby Rice

Science Camp: Forensic Capers

You have all seen the popular TV show CSI, but have you ever wondered what really happens to the evidence from the real crime scene? Where does it go, how does it tell its story, and most importantly, how can it be used to solve the crime? In Forensic Capers all of these questions will be answered with the help of local crime scene investigators. Here's your chance to become the scientist that actually analyzes the evidence and uses it to solve the crime!

(Ages 7 - 8)

Monday - Friday, June 21 - 25 : 9:00am - 12:00pm
\$100 members, \$120 non-members, Instructor, Lisa Sharpe
(Ages 9 - 11)
Monday - Friday, July 19 - 23 : 9:00am - 12:00pm
\$100 members, \$120 non-members, Instructor: Lisa Sharpe

Art Camp: Art Scene Investigators

CSI is more than just fancy science and fast-talking police officers. Experiment with the art side of crime scene investigation in this highly active art camp. Get hands-on with photography, fingerprinting and sketching in addition to exploring other medium. This is your chance to discover how art is used to help solve crimes!

(Ages 7 - 8)

Monday - Friday, June 21 - 25 : 1:00pm - 4:00pm
\$100 members, \$120 non-members, Instructor: Lyn Logan-Grimes
(Ages 9 - 11)
Monday - Friday, July 19 - 23 : 1:00pm - 4:00pm
\$100 members, \$120 non-members, Instructor: Lyn Logan-Grimes

Camp Combo Pack: Forensic Capers and Art Scene Investigators

This package allows you to combine two of our awesome half-day camps into one great full-day experience. Your child will attend Science and Art Camp, as well as a Mid-Camp Care Session. Please send a lunch with your child for this experience.

(Ages 7 - 8)

Monday - Friday, June 21 - 25 : 9:00am - 4:00pm
\$200 members, \$240 non-members
Instructors, Lisa Sharpe and Lyn Logan-Grimes
(Ages 9 - 11)
Monday - Friday, July 19 - 23 : 9:00am - 4:00pm
\$200 members, \$240 non-members
Instructors: Lisa Sharpe and Lyn Logan-Grimes
