**Pave The Way With The Works Buy-A-Brick Campaign**

(Newark, OH): The Works: Museum of History, Art, Technology & Science is excited to launch its 2010 Buy-A-Brick Campaign. This annual campaign, held from May 1 through June 30, offers individuals or groups the opportunity to pave the way for the future of The Works by adding a personalized brick to the beautiful LeFevre Courtyard. The cost for a 4" x 8" brick is \$200 with each brick accommodating three lines of text with up to 13 letters including spaces per line. Bricks provide an ideal vehicle to showcase families, memorialize loved ones, celebrate a birth, graduation, anniversary of any other special occasion. Groups or organizations may also join by sharing a personalized brick.

The Works will also host a A Bric-Nic on Friday, June 4 at 11:30 a.m. in conjunction with this year's first Music In the Courtyard event. At the Bric-Nic, potential brick buyers will have the opportunity to preview the area where new bricks will be laid and stake their claim in Licking County's history.

To purchase a brick, stop by The Works or visit [www.attheworks.org](http://www.attheworks.org) and click on "Give" to download a Buy-A-Brick Order Form. Demonstrate your commitment to The Works and the community by purchasing a brick today.

*The Works is an interactive learning center where people of all ages can have fun and be inspired by the history, technology and artistic accomplishments of the community we serve. The Works is located at 55 S. First Street, Newark, Ohio 43058. Visit us on the web at [www.attheworks.org](http://www.attheworks.org).*
