The Works First Annual Scholarship Walk

(Newark, OH): The Works: Museum of History, Art & Technology is excited to kick-off the inaugural year of The Works Scholarship Walk on Saturday, June 26 from 8:00 a.m. to noon on The Square in downtown Newark. This exciting event, coordinated by local high school Juniors, is a fundraiser to benefit The Works Scholarship Fund. The fund provides museum memberships to families who would otherwise be unable to visit the museum due to financial constraints. The Scholarship Fund also provides assistance to schools faced with budget cuts, limiting their ability to take students on field trips. Through the Scholarship Fund, The Works is able to reach children and families affected by these circumstances and integrate an appreciation for history, art, technology and science into their lives in the face of adversity.

To participate in the Scholarship Walk, visit www.attheworks.org and download the official registration form or visit The Works. All participants receive a complimentary t-shirt provided by The Grill At The Works to wear during the event. Participants are charged to garner sponsors and then walk laps around The Square. A fundraising goal of \$20,000 has been established for this year's event. Children and adults of all ages are invited to participate in this wonderful, community uniting event.

The Works is an interactive learning center where people of all ages can have fun and be inspired by the history, technology and artistic accomplishments of the community we serve. The Works is located at 55 S. First Street, Newark, Ohio 43058. Visit us on the web at www.attheworks.org.
